Headteacher: Mr P Thompson

Monday 2nd March 2020

Dear Parent/Guardian,

Year 5 John Muir Session – Friday 6th March

The Year 5 pupils will be taking part in their next John Muir session on Friday. During this session the children will be looking at why it was such an important industrial site for limestone and it's processing in the past and how the area has changed over time. They will also be taking part in some pond dipping activities and some seasonal comparison work to look at how this area has changed from when they visited it earlier on in the year.

Please could you ensure that your child has the following in school for this session:

- A packed lunch, a drink (not fizzy please) and their water bottle all packed into a small rucksack;
- Comfortable footwear (walking boots/wellingtons or old trainers);
- Weather appropriate old clothing (that you don't mind getting a little dirty);
- A warm waterproof coat;
- A hat and gloves; and
- School shoes or spare set of trainers in a plastic bag to be worn when they return to school after their visit to the Heritage Area (to avoid trampling mud into school or on to the school bus)

They can wear their warm old clothing to school on this day and do not need to come to school in their normal uniform.

Yours sincerely,

Mr Thompson
Headteacher
