

Bryn Offa in Bloom

Recycled Planter Competition

Create a planter using something you have found at home or in the garden! We would ideally like it if your planter could be a recycled/upcycled item.

Decorate the planter or leave it as it is and please feel free to fill the planter with plants or vegetables!

Bring your planter to school on **Monday 5th June**. They will be judged on Friday 9th June and 1st, 2nd and 3rd prizes will be given for the most unusual and creative recycled planters!
