Dear Parent/Guardian,

## **Bryn Offa in Bloom Recycled Planter Competition**

Some of the pupils have recently carried out a survey of the school to see which areas they think need improving. One of their suggested improvements was to brighten up the playground by having more plants and flowers.

We think this is a lovely idea so we are going to hold a gardening competition. Over the Half Term break we would like the children to design and create a planter using something they have found at home or in the garden that would be suitable to grow plants in. Please do not buy anything especially or spend any money on the planter- we would ideally like it if your child's planter could be a recycled/upcycled item. This could be as simple as a colander adapted to be a hanging basket or an old pair of wellies with drainage holes! Your child can choose to decorate the planter or leave it as it is and please feel free to fill the planter with plants or vegetables!

We would like the children to bring their planters to school on **Monday 5<sup>th</sup> June**. They will be judged on Friday 9<sup>th</sup> June and 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> prizes will be given for the most unusual and creative recycled planters.

The planters will be displayed in the school playground until the end of the Summer Term, when they will be returned to the children to take home.

We really hope you will take part and help us to make Bryn Offa a more colourful and bright school!

Yours sincerely,

Mrs. Prior
