Annual Bryn Offa Questionnaire

Dear Parents

Please find along with this letter, the annual Parent Questionnaire and Safer School Survey. These are completed every year and are used to inform our self-assessment processes.

In order to make the analysis of the questionnaire more effective, please do not put ticks in-between the boxes. When all the analysis is completed in the Autumn term I will inform parents of the outcomes and how they have been used to shape the School Development Plan. I was going to include a separate question for school meals, but instead I have left space for any meals comments to be included in the final box at the end of the questionnaire.

In addition to this questionnaire, you should also receive a Safer Schools Survey that is on the back of the Safer School letter. I appreciate that it is not ideal getting two things at the same time, but it would be really appreciated if you could fill in both the questionnaire and survey and return to school as quickly as possible.

Thank you in advance for your time and effort in completing these.

Yours sincerely

Mr Paul Thompson
Headteacher
