Friday 15<sup>th</sup> September 2017

Last week in the newsletter, I briefly wrote about the Class One Parent Meeting that was exceptionally well attended and really useful for our new parents. We will also be running similar meetings for the rest of the classes, to give parents information about the curriculum, routines and processes, and also to allow parents to ask any questions they may have. The first of these meetings is planned for next Friday morning on 22<sup>nd</sup> September at 9:15am and will be held in your child's own classroom. The information given out during these meetings will be provided as paper copies to any parents who unable to attend. We very much see your child's learning as a partnership between school and yourselves, so if want additional guidance as the best way to support your child's learning, please take this opportunity to talk to your child's teacher before the first parents evening which is arranged for October.

If you are able to attend the meetings next Friday, please wait on the main playground at the back of the school when you have dropped your child off and Mr Thompson will direct you to the right place. The children will need to be registered first, so the meetings will start at approximately 9:15am.

In the newsletter last week I mentioned that the lunch arrangements for Wednesday 20<sup>th</sup> September may need to be changed slightly due to the number of staff who would be attending a funeral on that day. I am pleased to be able to tell you that we have managed to cover this with only a slight adjustment to the menu, which will mean that lunch will be sausage and mash on this day rather than the normal roast dinner.

## **Guitar lessons**
