Friday 29<sup>th</sup> September 2017

It has been really great this week to see nearly all the extracurricular clubs up and running. At the moment we have Choir, Jujitsu, Hockey Club, Cookery Club, Football Club, Lego club and Gardening club and I also hope to start Recorder Club next week. We are very proud of the number and variety of clubs we offer to the children, and we hope to expand on this as the year progresses.

I am currently in the process of arranging for the top car park to be remarked to make the parking bays, bus lane and no parking areas much clearer. Until I can arrange for this work to be completed, please use the diagram below when parking. This indicates where the suitable parking areas are. It is vital that you do not park in any areas that are allocated for the buses, as this means that the buses have to park in unsafe areas. We have never had an accident on the car park, but there have been a couple of near misses caused by inconsiderate and dangerous parking.

In last week's newsletter I gave a list of important dates for the school calendar. There were a couple of dates omitted from this list as follows:

30<sup>th</sup> October 2017- PD Day (children not in school)  
19<sup>th</sup> February – 23<sup>rd</sup> February 2018 – Half Term

Please add these to your diary.
