Friday 20th October

BRYN OFFA BOOK FAIR

Friday 3rd November, Tuesday 7th November and Wednesday 8th November
3.15pm to 4.15pm in the Hall

Please come along!

After School Clubs

Please note that the following clubs have now finished and will not be running after Half Term:

Hockey Club
Cookery Club
Lego Club

Choir and Ju Jitsu will continue to run with them both starting up again on Monday 6th November.

We had to cancel two sessions of Football Club and Gardening Club this Half Term so these have been rescheduled for the following dates:

Football Club- Wednesday 1st November and Wednesday 8th November
Gardening Club- Thursday 2nd November and Thursday 9th November

Next Week – Week commencing Monday 30th October

Monday – PD day (children not in school)

Tuesday during school – Guitar lessons

Wednesday after school –BOPA Meeting (3.15pm) Football Club

Thursday after school –Gardening Club, Football League

Friday during school –Swimming Lessons for Class 3 and Class 5

Friday after school – Book Fair (3.15pm-4.00pm)

Stars of the Week

Grace Johnson, Rhys Derwas and Isla Gibbs for excellent writing during Phonics and having a hard working attitude to everything they do.

Molly Tuer for persevering with really challenging problem solving in Maths.

Lacey Evans for excellent and accurate measuring and estimating in her Maths work and for trying really hard to learn her 5 times table.

Ollie Dulson, Eisey-Mae Hanrahan and Jack Humphreys for writing a fantastic range of friend poems.

Patrick Keegan for adding extra depth to his investigations into animal skeletons.

Josh Law for always trying his best and having such a positive attitude.

Olivia Wilcox for being resilient when solving problems in Maths, for assisting Miss Hyde in Science and for always trying her best.

Catherine Sanderson, Lily Charles, Madi Skarratt, Harrison Gillham, Toby Hutton and Jac Jones for being a huge help to Mrs Whitby this week in creating Diwali tea lights and supporting children throughout school.

Mathematician of the Week

Max Burgess for fantastic problem solving when measuring Paddington Bear.
