Friday 3rd November

Firstly, I would like to say a big thank you to the parents who returned the questionnaire regarding internet safety concerns and what we can do as a school to support parents. I will now start to put together some information for parents and plan out some information events at school. I will update you on the progress of this as soon as arrangements have been made. The next item on this newsletter is an unusual request, but one I would really appreciate some help with. We currently have a vacancy at school for a lunchtime supervisor, and our usual routes of advertising have not resulted in a successful appointment. I have reproduced the advert below for any parents / grandparents / neighbours who may be interested in the position. If anyone would like to be considered for the post, please make direct contact with me by email (head@brynoffa.shropshire.sch.uk) or by telephoning the main school number.

Lunchtime Supervisor vacancy

We are looking to appoint a lunchtime supervisor. The position will involve working as part of a team to ensure the lunchtime at Bryn Offa is safe and enjoyable. The role will include supporting pupils in lunchtime play activities and basic first aid (all training will be provided). Applicants must be professional and polite in order to provide a good role model for our pupils.

The school is committed to safeguarding and promoting the welfare of children and young people. An enhanced DBS check will be required for the successful candidate.

If you are interested please contact the school to discuss the application with the headteacher or contact the school for further information.

Applications from previous applicants will automatically be considered for the post.

Trading/Collecting Cards

Finally, due to there being a number of 'issues' with some of the children losing and swapping trading cards, I am asking that these are not brought into school. Currently, these are football and Pokemon cards, but the same rule applies for any trading / collecting cards.

BRYN OFFA BOOK FAIR

Friday 3rd November, Tuesday 7th November and Wednesday 8th November
3.15pm to 4.15pm in the Hall

Please come along!

Remembrance Sunday

Please show your support for members of the Armed Forces, both past and present, by wearing a poppy this Remembrance. The Year 6 pupils will be selling a range of poppies in school throughout the course of next week if your child would like to buy one.

Next Week – Week commencing Monday 6th November

Monday after school – Ju Jitsu and Choir

Tuesday during school – Guitar lessons

Tuesday after school – Book Fair (3.15pm-4.15pm)

Wednesday after school – Book Fair (3.15pm-4.15pm) and Football Club (last session)

Thursday during school – Forest School for Class 1 (pm)

Thursday after school – Gardening Club (last session)

Friday during school – Swimming Lessons for Class 3 and Class 5

Stars of the Week

Freddie Woodcock for excellent sounding out and blending when reading.

Calisee Lyon for trying really hard with her writing during phonics.

Harvey Kilvert for fantastic effort in his Maths work on place value.

Harry Saunders for always trying hard in everything he does and for always being very polite and well-mannered.

Georgie Tomkins for working really hard with her writing and for taking care over spellings and presentation of her work.

Oliver Ridge and Cain Roberts for working really hard on improving their handwriting.

Louise Harding for excellent effort throughout the week. Louise wrote a beautiful description in English.

Phoenix Jackson and William Roberts for excellent focus, positive attitudes and for trying their best in every lesson.

Ben Cottrell for working hard consistently over the past few weeks. Ben's concentration levels and perseverance have resulted in Ben making a huge amount of progress in his work.

Quillan Kennedy and Oliver Rogers for fantastic literacy work. Both Quillan and Oliver are now including more detail and description in their work.

Mathematician of the Week

Cadel Kennedy for super partitioning to solve multiplication problems.
