Dear Parent/Guardian,

Bikeability Training

Any bikes which are left in school overnight during the 4 day Bikeability training will be stored outside Classes 1 and 2 under the covered area. This area is covered by CCTV but it would be helpful if parents could provide bike locks so we can lock the bikes up at night.

Your child will need to come into school in normal school uniform on Monday and they will need to bring **Warm clothing** including **gloves** and **some wet weather clothing** e.g. waterproof coat and trousers (if possible). The training will continue in light to moderate rain but will be suspended if there is a heavy downpour.

Your child will need to bring with them for all four days of the training the following:

- **A bike which is roadworthy** - a bike check will be carried out on the first day and any bike which is not roadworthy will have to be fixed for your child to continue the training. A further copy of the bike check form is attached to help you ensure that your child's bike is in a roadworthy condition. Bikes can be left at school throughout the training.
- **A bike which is the correct size** (not too big or too small).
- **A cycle helmet** (which again must be of the correct size and fit properly).

In addition you will need to ensure that your child has the following:

- **Warm clothing** including **gloves** (the training will take place outside). High visibility tabards are provided.
- **Some wet weather clothing** e.g. waterproof coat and trousers (if possible). The training will continue in light to moderate rain but will be suspended if there is a heavy downpour.

Yours sincerely,

Mr P Thompson
