## **Harvest Competition**

Next week you will receive details about a competition that we are going to be running to celebrate Harvest so please keep your eye out for this. We are going to be holding the scarecrow competition in the Spring Term and you will be sent further details of this closer to the time.

## **Reading Software**

This week some of the classes in school have been using the 'Teach Your Monster To Read' software on the school Ipads. This software is really good and is completely free for use on a computer. It is also my understanding that it is free on tablets, but only until this Sunday. As we use a different system for the Ipads than home users do, I am not able to check this or provide additional information.

## **Pant Pandas**

We have had a couple of instances over the past 3 weeks where children who would normally go to Pant Pandas after school have been collected and Pant Pandas have not been informed of the change. It is important that Pant Pandas are informed of any changes so they can ensure that the appropriate staff to child ratios are in place, and so they know how many spaces they have in case they have any additional bookings. Cancellations or changes to arrangements should be notified to Pant Pandas direct.

## **Dinner arrears**

As mentioned in my letter before the Summer Holidays, we will only be able to allow a maximum of **2 weeks arrears** for dinner money before we have to stop providing meals. Please try to ensure your account is always in credit rather than running into arrears.

## **Club payments**

Because of outstanding payments for clubs in the past, we would like to request that full payment is made for the whole block of sessions before the start of the clubs. However, there are still some payments currently outstanding. Please can I ask that all payments are made by the beginning of next week. If you are having difficulty paying via the School Money system or would like to discuss payment, please contact Miss Morris.

## October PD Day

We have received queries off some parents regarding the PD Day on Friday 26<sup>th</sup> October. This is as per the calendar that was sent out to parents at the start of the year and the Important Term Dates that were included in my letter of 5<sup>th</sup> September. Both of these can be found on the website.
