Dear Parent/Guardian

Car Parking At Bryn Offa

Parking first thing in the morning and at the end of the school day has always been difficult here, in the same way it seems to be at every school. We have been very fortunate in the past to be allowed to use the car park of The Cross Guns during both of these times, as it did not affect their business. We had a reciprocal arrangement where I allowed our car park to be used by them as an overspill. Unfortunately this situation has to change.

As The Cross Guns is now serving food all day, they now require all their car parking spaces for their own customers and are concerned that Bryn Offa parents using their car park is causing them to lose business. I would therefore request that from now on, parents do not use The Cross Guns car park when picking children up at 3:15pm, even if there are spaces. We still have permission to use the car park first thing in the morning and I do not want this to be lost, so please be considerate and only use it first thing in the morning, ensuring that you park in a sensible way.

This new arrangement will obviously cause additional problems in the local area as the only other option if you come by car will be to use on street parking. Please ensure when parking that you do not block the entrance to the car park, access for the school buses or the driveways of our neighbours. I have included a plan on the back of this letter which indicates where you can and cannot park.

There is really only one other thing I could suggest to improve the parking situation, and that is for fewer cars to be brought to school. Wherever possible, walking or car sharing is the only way we are going to reduce the problem.

I thank you in advance for your cooperation in this matter.

Yours sincerely

Mr Paul Thompson
