Dear Parent/Guardian,

Reminder Year 6 applications to Secondary School

I have been asked to write to you by the County Council to remind you that the closing date for Secondary School applications is **31 October 2018**.

They have advised that applications received after this date are considered as late and these applications are considered after all the on time applicants have been allocated their school places. This means that the pupil is at risk of not being allocated a place at their catchment/nearest or preferred school.

If you require further information, please contact the Secondary School direct or visit

Yours sincerely,

Mr P Thompson
