Friday 11th January

Just before the Christmas break we ran the recruitment process to find the new teacher for Mondays and Tuesdays in Class 1. I am delighted to inform parents that we have appointed Mrs Machin to the position. Mrs Machin is due to start in Class 1 as soon as we can get all the paperwork completed, which we hope will be next week or the week after.

The new system for passing information to Miss Morris in the office by using the letterbox has been working really well in ensuring parents who need to speak to someone are not behind a queue of parents simply handing forms in. The area that still needs some improvement is the way that parents let us know about changes to end of day arrangements. The bus lists and end of day arrangements are checked when the registers are done first thing in the morning so please ensure you phone into school by 9.00am if possible. Please do not email regarding end of day arrangements or collection arrangements. If Miss Morris is not in the office or her PC is not working, her emails will not be picked up. Phone messages will always be picked up. If you do not get an answer when you call, please leave a message with a contact number and someone will call you back to confirm that your message has been received. Please only email with general queries (e.g. illness, medical appointments etc).

I know sometimes it is quicker to email but hopefully this system will mean that all messages are picked up correctly and will ensure fewer queries and mix ups at the end of the day.
