Dear Parent/Guardian,

Draw Your Mum 2019

The Oswestry Advertiser is inviting all primary school children in the area to send their mums a Mother's Day message.

All the children have to do is draw a colourful picture of their mum on the template provided attached to this letter. The Advertiser will print all the pictures they receive in a series of special supplements in the Oswestry Advertiser prior to Mother's Day on Sunday 31st March.

The Advertiser have advised that any pictures that do not adhere to the guidelines below will not be published so please read these carefully before your child draws their picture.

- **Pictures must be done on the A5 template attached. Any other sized pictures, which are not on the template attached, will not be accepted. Further copies of the template can be obtained from Miss Morris in the office should you need them.**
- **Please use bold colours – felt pens/paint/coloured pencils only.**
- **No collages, stickers, beads, glitter, wax crayon or pictures in light pencil please.**
- **Your child's picture should be in the centre of the box provided on the template. Please make the picture as large as possible within the box. The right hand side of the sheet will be detached before the pictures are printed.**
- **Your child's name and mother's name need to be clear and large in black ink to make sure these are clear when they are printed in the paper.**
- **Do not include surnames of your child or the mother. The Advertiser will not be able to include any pictures that have this personal information on.**

Any pictures that are received that do not adhere to the above guidelines will be returned.

Please complete your picture on the template attached and return it to school by 9.00am on **Thursday 7th February**. Please note that any pictures received after this date will not be accepted.

Yours sincerely,

Mr P. Thompson
