## Athletics Champions

Bryn Offa's athletes produced a sensational display in the final round of the Sportshall Athletics Competition held at The Marches school on Tuesday evening. The efforts of the children secured the trophy for the second year in succession, holding off the challenge from 10 other teams. What a fantastic achievement!

We now progress to represent the Oswestry area in the second round of the competition which takes place next Tuesday.

## Warm clothing

It is starting to feel quite chilly now and it is important that the children bring warm outdoor clothing with them to school. Please ensure that your child brings a warm coat with them to school every day. It may also be advisable for your child to also bring a scarf, hat and gloves just in case! The children are only kept inside if it is raining so it important that they have adequate clothing with them in school to keep them warm when they are outside at break time and lunchtime.
