## School Uniform

It has recently been brought to my attention that there are some children in school who are wearing trainers in school rather than school shoes. The school uniform is black shoes and trainers should not be worn for school. If your child does not have shoes for school because you may be waiting to buy a new pair, please send a letter in with them to explain the situation.

## Pant Pandas

If your child attends Pant Pandas Nursery after school and there is a change in the days they will be attending or they will be collected when they would normally be booked into Pant Pandas, can I ask that you let us know please by phone to avoid any confusion at the end of the day. Pant Pandas should also be advised of any changes.

## Science Week

Bryn Offa is going to be celebrating Science next week and each class will be doing various Science activities throughout the week. Details of the activities will be given in next week's newsletter.

## World Book Day Winners!

We have had such a great response to World Book Day this year! The costumes seem to be getting better and better every year! The children in each class had a vote on the winning costumes and it must have been a really hard decision for them! The winners from each class are shown below and there will be some more pictures on the school website. We would like to say a huge thank you to all the children (and parents) who have taken part. It was fantastic to see so many children in costumes on Thursday. Today we are sending home with each child a £1.00 World Book Day token that can be swapped for a FREE World Book Day book or they can get £1 OFF any book or audiobook worth £2.99 or more at your local bookseller. They are valid until 31<sup>st</sup> March and further details can be found at [www.worldbookday.com/books](http://www.worldbookday.com/books)
