## Use of the Staff Car Park

Can I please ask that parents do not use the staff car park before and during school hours. If you are dropping your child off at Pant Pandas before school, please use the top car park and walk over to the Nursery. The staff car park outside the front of the school is for use by staff and disabled drivers only before and during school hours. It is already very busy before school with staff entering the car park and the extra traffic caused by parents also using it could result in an accident involving another car or a child.

# RED NOSE DAY

For Red Nose Day this year, we asked the children to come to school wearing something red! We had a fantastic response to this and would like to thank all the children for taking part. With your help we managed to raise the fantastic amount of £141.50! Many thanks for your kind donations.

The money raised will go to Comic Relief which funds over 2,000 amazing projects all over the world. You can find out more at [comicrelief.com](http://comicrelief.com)
