Stars of the Week

Eva Swannick for being a very caring member of Class 1. She enjoys looking after other members of the class and will often find a cosy corner to read them a story. Well done Eva!

Austin Catterly for having an amazing week in school. His morning Maths and the speed with which he has done it has blown Mrs Prior away. She had to ask him what he was eating for breakfast because she wanted to eat the same! Well done Austin!

Henry Owen for being very hard working and for always trying his best. He has made massive progress in his phonics and he should be really proud of himself! Mrs Prior is really proud of him. Well done Henry!

Zachary Morgan for being such a pleasure to have in Class 2! He tries his best in every lesson and shows perseverance. A great start to the year! Well done Zachary!

Esme Jones for always being a star! She has had a fab start to the year and is working really hard. She has shown our value of the month, 'fairness', this week and Miss Jones has spotted her on the playground helping younger children understand what it means. Well done Esme!

Stanley Waters for making a brilliant effort to learn his spellings this week and for being a guru to the rest of his table! Stanley is a wonderful character to have in Class 3. He always has a lovely smile on his face. Well done Stanley!

Molly Berry for producing some amazing extended writing this week with an individual ending which showed off her fantastic vocabulary! Mrs Dibbins also commented on how kind and caring Molly was when she helped a child in Class 1 who fell over on the playground. Well done Molly!

Lacey Evans for really challenging herself this week. Initially she found it challenging to pick up the brick from the bottom of the swimming pool during the Class 4 swimming session but due to her resilience, she managed to get it! Well done Lacey!

Harvey O'Keefe for working really hard in Maths and English this week. This has allowed him to make outstanding progress. Keep up the hard work Harvey!

Oliver Lloyd for really impressing Mr Jones with his work ethic over the last few weeks. However, it is his mental Maths that has made him 'Star of the Week'. Oliver is able to calculate, both quickly and accurately, a range of complex sums in his head! Fantastic work Oliver!

Lily Mae for always giving 100% in everything she does. Her effort really is first class! Lily Mae ensures that each piece of work is completed to the very best of her ability and presented beautifully. Well done Lily Mae!

Olivia Wilcox for working incredibly hard over this Half Term. Her focus is amazing! She always has her hand up to answer questions and helps other pupils with their learning. Olivia is a great team player!

Harvest Prayer

Thank you for the bees who make us honey.

Thank you for the people who care about me.

Thank you for the water that lets us live our lives.

Thank you for the fishermen who let us eat fish and for the butchers who let us eat.

Thank you God. Amen.

Oswestry Rugby Club is hoping to break the World Record for the largest Rugby Union Training Session. We will need all players, parents and coaches to get involved from 12noon. The aim is to get as many people involved as possible. England and Worcester Warrior Star Kai Owen supported by Alex Murphy and the Ellesmere College team will be taking the session. The event will raise funds for 'The Movement Centre'. An Oswestry based charity that supports children with movement disabilities to reach their full potential. Rugby family and friends—help us Break The Record!!
