Use of the Staff Car Park

Can I please ask that parents do not use the staff car park before and during school hours. If you are dropping your child off at Pant Pandas before school, please use the top car park and walk over to the Nursery. The staff car park outside the front of the school is for use by staff and disabled drivers only before and during school hours. It is already very busy before school with staff entering the car park and the extra traffic caused by parents also using it could result in an accident involving another car or a child.

World Book Day Thursday 5th March

This year to celebrate World Book Day, on Thursday 5th March we would like the children to come to school dressed as a character from their favourite book! This is just a bit of fun for the children so please do not feel that you have to buy a costume especially; a homemade costume if you can make one would be fantastic! The children will also be doing other activities in school on that day to celebrate World Book Day but further details will follow after Half Term.

Amazing Athletic Achievement!

Last Thursday, Bryn Offa's athletic superstars produced another dazzling display to retain the Oswestry area indoor athletics title for the third successive year. The individual and team performances from the children truly were a sight to behold. A fantastic effort from the team, who have trained hard during their break times. Well done to all the pupils involved.

Cross Country

On Friday last week the qualifying cross country runners took part in the level 2 school games, which was held at Oswestry School. A huge well done to Huw, Lily-Mae, Izzy, Tilly and Amber who all ran fantastically well! It is an amazing achievement to get through to this stage! Amber who is one of our very talented athletes finished in 3rd position and will represent North Shropshire in the County final of the school games which will take place in early March.

Oscar Prescott for making great progress this year in all areas. He has improved his presentation and made great strides in Maths. Oscar also goes above and beyond in his homework and always does extra. Miss Harvey is very proud of him. Well done Oscar!

Elise Swannick for being such a delight to teach! She is so aware of the needs of the other children and cannot do enough for other people. Elise is always keen to do her reading and has made great progress with her writing too! Well done Elise!

Logan Price for making excellent effort with his spellings and for trying his best to work independently. Logan has been challenging himself more and more, particularly in Maths. Well done Logan!
