Friday 13th March

Repairs to School Car Park

I have just received notice this morning that Severn Trent Water will be doing the agreed repairs to the school car park over the Easter break. It will be great to see these repairs completed, so please ensure you do not use the school car park over the Easter break, and if you know anyone who may do this, please ask them not to as we only get one chance at getting the repairs done.

Ongoing Coronavirus Situation

After the government announcement on Thursday, all children who have a new persistent cough or a high temperature must be kept off school for a period of 7 days. The link below gives good guidance as to what to do if your child has a fever and what temperature constitutes a fever, though this can vary between children. The NHS uses the figure of 38C on the website, but I have also seen government references to 37.8C.

<https://www.nhs.uk/conditions/fever-in-children/>

The guidance for Educational Settings has been updated for the first time in a couple of weeks and can be found on the link below:

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19>

We will keep you updated with developments as soon as we possibly can, but until we update you please assume we are open as normal.

Heritage Area and Dogs Trust

The children have had a busy week this week with their visits to the Heritage Area and the Dogs Trust visit yesterday. There is more information and lots of photos on the website if you would like to see what the children have been doing.

Class Photographs

The photographer will be in school on the morning of Thursday 19th March to take class photographs. Please ensure that your child has his/her school sweatshirt with them in school on Thursday.

Week commencing Monday 16th March

Monday after school - Creation Club and Ju Jitsu
Tuesday during school - Football Tournament at Gobowen School
Wednesday during school - Football Tournament at The Marches
Wednesday after school - Athletics Club, Gardening Club and Textiles Club
Thursday during school - Class photos

B I N G O

On the evening of Thursday 23rd April, Rota Kids are going to be holding an Easter Bingo event to raise money for NSPCC. Everyone will be welcome and it would be great if you could join us! Further information will follow after the Easter Holidays.

Bryn Offa

Value of the Month

Perseverance

'God gives strength to the weary
and increases the power of the
weak' (Isiah 40:29)

Stars of the Week

Sam Farrington for being so kind and caring towards other children. If he notices a child has hurt themselves on the playground, he comforts them and takes them to an adult. Well done Sam!

Serena Smith for continuing to work hard in class. She is getting super quick in morning Maths and has good understanding. Her writing is super neat and she is trying hard to use punctuation. Well done Serena!

Elijah Abbott for blowing Miss Jones away this week with his writing. Class 2 have been writing investigations in Science all about their Astronaut Training Day and about the Easter story in RE. Elijah has given 100% in all these lessons and the writing he has produced is fantastic. Well done Elijah!

Jasmine Lees for always giving 100% no matter what the lesson is. This week she has produced some fantastic cross-curricular writing and has been challenging herself to include exciting and adventurous word choices. Well done Jasmine!

Cadel Kennedy for showing excellent perseverance in Class 4 as he rises to any challenge given. He is an excellent role model to others as he is eager to contribute, is patient and caring. Well done Cadel!

Charlotte Liddiatt for always trying her best and for challenging herself. No matter what lesson or activity Class 4 are completing, Charlotte always puts her hand up to join discussions and is enthusiastic. Well done Charlotte!

Edward Huninik for contributing more and more in class as his level of understanding increases. Some of his answers this week have demonstrated what a gifted pupil he is. Well done Edward!

Vince Owen for showing excellent perseverance in his Maths. Vince was the only person in the class to successfully figure out a Maths problem yesterday! He worked solidly at it (even through his break). Fantastic effort, well done Vince!

Maisie Robbins for always giving 100%. Her work ethic and overall attitude is first class. When 'guruing' other pupils, she shows patience and supports them with their learning. Well done Maisie!
