

Class 3 Home Learning - Week beginning 20.4.20

Did you hear about the amazing fundraising Captain Tom Moore did for the NHS, walking around his garden 100 times before his 100th birthday? What an incredible man! He has so far raised 25 million pounds for the NHS!

Follow this link to read all about him and have a go at answering the questions.

Click on this link for this week's English work:

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Following this link open up the **Year 3 week 3 English folder**. In this pack there are 5 individual lessons to be completed 1 per day if possible. There are a range of reading, grammar and writing tasks included.

It is very important you continue to learn your weekly spellings. The links include wordsearches, handwriting and a powerpoint presentation

Year 2:

<https://www.twinkl.co.uk/resource/t-1-526331-year-2-term-3a-week-2-spelling-pack>

Year 3:

<https://www.twinkl.co.uk/resource/t2-e-4458-year-3-term-2b-week-2-spelling-pack>

Year 4:

<https://www.twinkl.co.uk/resource/t2-e-4584-year-4-term-2b-week-6-spelling-pack>

Click on these links for this week's Maths Work. Watch the learning videos first and then have a go at the worksheets. Don't forget you also have work set on My Maths.

Art – Olaf Falafel's Art Club

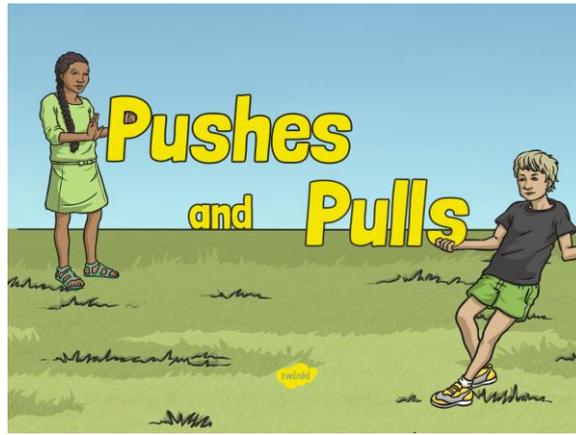

Follow the link below to Olaf's Art club. The artist visited The Marches a couple of years ago and this author was there. He is also a comedian, so his videos are really funny. In his weekly Art club he does a range of activities for you to have a go at. If there is a painting task, and you haven't got any paint, then just forward the video on. Send in your best drawings, and we can have a gallery on our class homepage.

Science – Introduction to Forces

Watch the video and read the information provided on the below link:

<https://www.bbc.co.uk/bitesize/topics/zvpp34j/articles/zywcrdm>

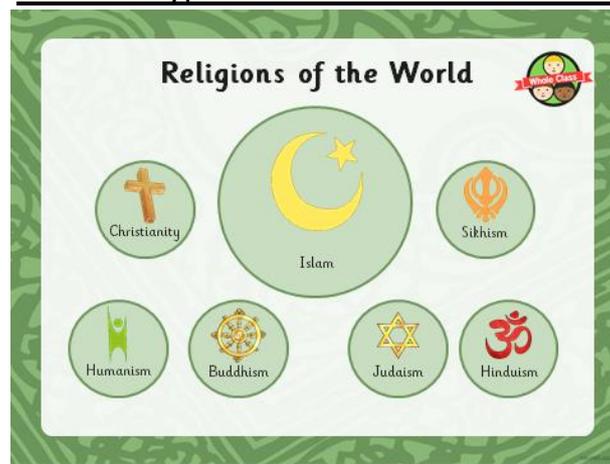

View the Forces powerpoint by following the link below:

<https://www.twinkl.co.uk/resource/tp2-s-093-planit-science-year-3-forces-and-magnets-lesson-1-pushes-and-pulls-lesson-pack>

Make a poster of different things you can push and things you can push or pull or complete the worksheet on page 4 of this document

RE – Religions of the World Lesson 1

Can you find out which country each of these religions originated from and when they began? Why do they have the symbols on the poster above to represent their religion? E.g. Where does Christianity originate from? How old is Christianity? Why does it have the cross as its symbol? Let me know which religions you decide to research and what you find out!

Top Tip: Researching is all about reading it => Understanding it => then putting the facts into your own words! BBC Bitesize is an excellent place to start your research.

Practise your times tables as often as you can. If you are finding it difficult to remember them, head to this website to hear them. They have catchy songs to help you learn all tables up to 12
<https://www.bbc.co.uk/teach/supermove/rs/times-table-collection/z4vv6v4>

Use 'TT Rockstars sound check area' and 'Hit the button' to help you.

How many can you get right in 9 minutes? Challenge yourself to get more right every day

Push or Pull?

Things I can push and pull
