

It's time to order your greetings cards!

- 1) Visit www.apfsorders.co.uk
- 2) Enter the unique artwork code found on the reverse of your child's artwork
- 3) Place your order
- 4) Return your child's artwork to the class teacher. Without your child's artwork we cannot print your order!

Art Projects for Schools has partnered with the Woodland Trust so that together we can help plant more native woodlands across the UK.

Write your child's unique artwork code in the box below, and send a picture of it to family and friends so that they too can place an order by visiting www.apfsorders.co.uk.

Who are Art Projects for Schools?

Art Projects for Schools (APFS) was established in 1997 to help bring creative-based fundraising projects into schools. We are proud to be the original creators of the Creative Card Project and the only company with an excellent rating on Trustpilot.

When will I receive my order?

Your order will be posted to the school/organisation along with the rest of the orders on the date agreed with us by the organiser.

"Can my child's sibling also take part in this project?"

Absolutely. As long as the artworks have a unique artwork sticker on the reverse of them, you can create and order from as many artworks as you like. Once you have placed your order, you must hand in the extra artworks to the organiser so that it can be sent to APFS within the school's deadline.

What happens if I miss the deadline?

If you miss the shop closure deadline, then you can still place an order, however, the school/organisation will not receive fundraising. Your order will be sent to your home address at a later date and you will also be charged postage.

"My child's artwork doesn't have a label on the reverse of it."

Without a unique artwork label stuck on the reverse of your child's artwork you will be unable to place your order. Please speak to the project organiser or class teacher who will be able to provide you with a label.

"I'm having issues with my order, what do I do?"

If you need help with your order, please don't hesitate to get in touch with the APFS team on 0800 027 1939 or info@apfs.org.uk.
