Bryn Offa Christmas Jumper Day

We have had such a fantastic response to our request for donations for Christmas Jumper Day last week! Thank you so much to all the children and parents who made a donation. We have been overwhelmed by your generosity and kindness and these donations are going to make a big difference to the families that need them over the festive period and into the new year. Thank you again!

Brook House Residential Home

In past years, the members of Creation Club have visited Brook House Residential Home at Christmas time to sing carols and to spread a bit of festive cheer to the residents. Unfortunately, this has not been possible this year due to Covid restrictions. However, to send the residents our Christmas wishes and to let them know we are thinking of them despite not being able to visit, the children have made Christmas cards for each resident and these will be handed to Brook House this week.

Christmas Nativity Poems

Over the course of last week, each class has been working really hard on creating a Nativity Poem for parents to watch. These can be found on the class homepages on the website.

Christmas Pantomime – Cinderella!

On Thursday afternoon this week, the children are going to be watching a production of Cinderella which has been created by Eva Long Productions. This has been paid for very kindly by BOPTA and they are also going to be providing interval treats for the children. We hope the children really enjoy watching it!

Head lice

We have recently had a couple of cases of head lice in school. Please do your part to prevent head lice spreading by checking your child's hair. **We would recommend that your child's hair is checked regularly (at least once a week), and on a regular basis thereafter.** Please also watch for signs of head lice as they are much easier to treat if caught early. If head lice or eggs are detected, treatment should be given to the whole family **before** your child returns to school. A second treatment should also be given 10 days later.

We would ask that any cases of head lice are reported to the school office to allow us to monitor cases and prevent head lice spreading.

Week commencing Monday 14th December

Tuesday during school: Guitar lessons (am)
Thursday during school: Cinderella Pantomime
