Mrs Lisa Humphreys

I wish to rejoin the governing board for Bryn Offa. I previously served a term of three years and I felt I did the best job I could supporting the school through a very difficult time of Covid.

The governing board is a vital role in ensuring our children's best interests are met, along with their safety and wellbeing. I will always stand up for what I think is right and will challenge or support any decisions I feel has our children's best interests at heart.

Mr Daniel Jones

I am passionate about education and inclusion with a particular specialism in working with individuals with SEND at the Derwen College as a learning support assistant within horticulture. Integral to my role is the ability to assess risk, monitor health and safety, safeguard and support welfare, working both autonomously and multidisciplinary. I have excellent personal and communication skills which support my application. Having children who access both the school and nursery on site, I would value the opportunity to join the governing board.
