Dear Parents and Guardians,

## **Bryn Offa Annual Parent Questionnaire**

At the end of the Summer Term, all parents were sent a link to the annual parent questionnaire, which is completed online. The responses were very positive, as you will see from the information given below.

My thanks to all those who completed the questionnaires. These provide useful information that feeds into governor meetings and the school development plan.

Yours sincerely,

Mr Thompson

The following are all the additional comments added to the questionnaires by parents and guardians. I have only altered them where a child's name was used, or if the information was enough to identify a particular child or parent.

- I think we could have had better communication between parents and teachers.
- Both my children feel very happy at Bryn Offa and that is down to the way it is managed and the teachers. I could have changed schools when we moved out of the area but the kids love it there.
- Excellent school with lovely, caring teachers
- Thank you to all the teaching staff at Bryn Offa for the support you have given \*\*\*\*\*! She's enjoyed her Time at Bryn Offa and I know you will all have a special place in her heart!
- \*\*\*\*\* and I would also like to thank you for the all the wonderful work you have done with \*\*\*\*\*! We are so glad that we picked Bryn Offa school! Thank you!
- My child is happy at school.
- He has homework but not too much!
- Great wrap around care too.
- Hopefully there will be more clubs next year!"
- The best decision I have ever made was moving \*\*\*\*\* to Bryn Offa. Miss Hyde has been amazing with \*\*\*\*\*. She has given him the support and confidence he lacked at his previous school. She has recognised his needs and acted immediately so that he has been given the help he requires. Thank you.
- Cannot recommend this school enough.
- After watching the leavers play it's very clear to see how much the children enjoy school and are polite and respectful. Well done to all who work at Bryn Offa.
- I have concerns about parking, what with the big reception intake as to where parents will be parking, is there enough/sufficient parking provision? As it's already crazy as it is. Does the school have any ideas on this?
- Excellent school with great staff.
- Special thanks to Miss Hyde for being an exceptional teacher.
- Mr Jones has been an exceptional teacher again this year. His personality and enthusiasm has given all three of my children confidence and motivation. \*\*\*\*\* will hugely miss him in her last year but we are grateful for his teaching skills and enabling the children to reach their full potential. Huge thank you to him again.
- Both our boys love school, neither have ever said they don't want to go. That speaks volumes.
- Mr Thompson and his team always act in the best interest of the children with the upmost care and consideration.
- Miss Morris is as brilliant as ever going above and beyond in supporting the children (and mostly parents I suspect!) with all aspects of school life and making molehills out of mountains!
- Miss Morris for Prime Minister!!!
- Another good year from our perspective, thank you all.

- Amazing school with brilliant teachers. Cannot fault at all.
- Fantastic school.
- School trips are great and always something for our kids to look forward too however I feel that they seem to happen maybe a little too often. Sometimes it would be good to see a breakdown of the trips as they come in quite expensive at times. Nobody likes to say no to their child however I'm hoping I don't pay for other people children too.
- My daughter has loved her time at Bryn Offa it will be sad to see her leave, I want to thank every one of you who has supported me as a parent and my daughter since she has been at the school.
- Thanks for everything you did for \*\*\*\*\* . All the best.
- Miss Harvey and Miss Owen in class 3 have been amazing in supporting my child through some difficult emotions and anxiety, they are both a really credit to the school. Nothing is never too much trouble and are so approachable and keep us completely up to date with any developments.
- The school lunches could be healthier. I appreciate this is probably out of your control and supplied by the council, however there is lot of red meat/processed food and because of this I have to restrict how often my children have school meals.
- I feel it would be beneficial to do more drama in school (maybe through an after school club) as it brings out so much confidence and self belief.
- \*\*\*\*\* and \*\*\*\*\* are both very happy at Bryn Offa and I appreciate the ongoing support from their teachers
- Another great year for \*\*\*\*\* . Happy with his progress and he is looking forward to joining Class 3.
