Friday 4th November

Earlier this week I was asked by one of our ex Governors if we would be able support the appeal he is involved with for sending warm children's clothing to Ukraine. I was very keen for us to be involved with this project as when we have done this kind of thing in the past parents have been very generous. Please could you have a good look at home for clothing that your own children may not wear or may have grown out of. Items need to be in reasonably good condition, but most of all we are looking for warm clothing. This doesn't necessarily mean thick jumpers, as warm clothing is often better made up from multiple thin layers. Next Friday morning (which is Remembrance Day) I will open the door to the hall first thing in the morning so parents can drop off any bags of clothing. If you have multiple items, please just put them all in a plastic bag and I will take them from you at the door. Children who come to school by bus can be given the bags to bring (as long as they are not too big) and they will be helped to bring them into school. Thank you in advance for your support with this incredibly worthwhile cause.

I was expecting to start my recorder group this week, but unfortunately the recorders have still not been delivered despite them being in stock when we ordered them a few weeks ago. This seems to be an unfortunate feature of things at the moment where goods and services are still quite disrupted. As soon as the recorders arrive I will begin the sessions.

As the weather is now getting colder, please make sure the children come to school with a warm coat as we make sure the children get their outdoor play times whenever possible. There have been a few children coming into school in trainers, which is not part of the school uniform so could all parents make sure children are coming to school in appropriate black shoes. There may be occasions when the children have to come to school in alternative footwear for a few days when parents are waiting until they can get new shoes, and this is never a problem as long as you let us know in advance.

Remembrance Sunday

As Remembrance Day approaches, members of Class 5 will be selling poppies and other items for a small donation every playtime next week (suggested donation 50p).
