Friday 9<sup>th</sup> December

Rehearsals are in full flow at the moment and the whole school is looking forward to our first Christmas Performances in a long time due to Covid. There are still a number of winter viruses around so please do keep your children off school if they are not well enough to attend.

There have recently been some well publicised reports in the news of Strep A infections causing serious health problems. I have copied some of the relevant information from the NHS website on the accompanying document and I have also provided the link to the site so parents can check to see if the guidance changes and get further information if necessary. By following the link given in the document, you will also get further guidance as to when it may be appropriate to get advice from the NHS 111 phone line and to how to recognise if the infection may be developing into an emergency situation which requires hospital treatment.

## Christmas Jumper Day

**Friday 16<sup>th</sup> December** will be our Christmas Jumper Day! This year we are going to be raising money for Save the Children. If you are able to make a donation, please send it into school on that day.

**Normal school uniform should be worn** but the children can wear their favourite festive jumper/home decorated jumper in place of their normal school jumper. Please do not buy a Christmas jumper especially- a home decorated jumper would be fantastic

## Christmas Post!

The children are welcome to bring Christmas cards into school for their friends. Cards can be posted in the Christmas Pox Box which will be in reception by the doors to the School Hall and these will be handed out by some of the members of Class 5 during break.
