Valentina Kitchen for her amazing work which is getting better and better every day! Mrs Prior and Mrs Machin are so proud of how hard she is working, especially with her phonics and reading. Well done Valentina, keep up the good work!

Ophelia-Rose Cubberley for a super week! Ophelia-Rose has been working really hard, giving 100% in every lesson and she has produced some fantastic work. Miss Owen and Mrs Hartland both commented on her amazing singing in Class 2's music class this week. She has also produced a lovely piece of writing in English and her balance work in gymnastics was brilliant. Well done Ophelia-rose!

Henry Owen for making Miss Harvey really proud with his progress in English! Henry is reading for pleasure and this is having a huge impact on his writing. He is using some excellent vocabulary and has started to write a fantastic Roman myth. Great work Henry, well done!

Nia Counsell for working really hard in all of her subjects but especially her English! Nia has enjoyed planning her own Roman myth and has added some brilliant detail. She is also trying really hard in her Maths and is making great strides in her times tables knowledge. Well done Nia!

Bo Nicholls for really impressing Mr Jones and Mrs Hartland this week! Bo's attitude to learning is first class and this has resulted in superb progress being made. Keep working hard Bo, well done!

Mollie Harvey for her enthusiasm in class! Sometimes Mollie is so keen to answer that Mr Jones worries her arm may come out of its socket! This just shows how much she concentrates in every lesson. Keep being brilliant Mollie, well done!

Ronnie Bladen for being a true sportsman! Ronnie gives any game he plays 100%. In dodgeball, he is determined, focused but, most importantly, honest. These qualities will see him go really far in life. Well done Ronnie, keep being brilliant!

Drew Edwards for being really keen during his recorder lessons and for always trying his best! Mrs Hartland was very impressed. Drew was also a brilliant mathematician yesterday in Class 5's algebra lesson. Well done Drew!
