Dear Parents and Guardians,

PSHE

As a part of your child's education at Bryn Offa, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website for more detail about our PSHE curriculum. All PSHE teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

We are currently reviewing our Relationships and Sex Education Policy (RSE) and would like parents to be involved in its development. Therefore, with this letter, we have attached the draft policy for you to read over. We would really value any feedback on the policy. If you are happy to provide this, please write your comments in the box below and return the slip to school by Tuesday 2nd May.

Yours sincerely,
Mrs Machin
