Reception and Year 1 Tile Workshop

The Reception and Year 1 child took part in their tile workshop this week where they each got to have a go at painting a tile.

The rest of the pupils will be visiting the Museum on Tuesday next week to take part in their workshop. Once the tiles have been finished, they are going to become part of a large mural which will be displayed in the school hall.

We are going to be putting updates on the school website as the mural comes together.

Class photos

On Monday, Miss Morris will be sending a link out by email which will allow parents to order the class photographs online. Please keep an eye out for this if you would like to order a class photo.

Nut allergy reminder!

As we have a child in school with a serious nut allergy, please do not send your children to school with any products that contain nuts. This includes products that may contain traces of nuts. Potential allergens could include the following:

- Spreads, e.g. chocolate spread
- Some types of biscuit containing nuts
- Condiments, e.g. satay sauce
- Cereal bars
- Cakes containing nuts
- Some snack pots containing nuts

It is important that you check the labelling of food products before sending your child in to school with them – it is not always apparent that products contain nuts or traces of nuts.

Week commencing Monday 24th April

Tuesday during school:	Chess Club, Year 2-Year 6 Visit to the Jackfield Tile Museum
Wednesday during school:	Class 4 visit to British Ironwork Centre, Class 5 visit to Wroxeter
Thursday during school:	Violin Lessons, Forest School for Class 1
