Friday 26th May 2023

Dear Parent/Guardian,

Bryn Offa in Bloom 2023 **Recycled Planter Competition**

We are pleased to announce that we will be running our Recycled Planter Competition after Half Term! We have had some fantastic entries in the past and they really do make the front of school look so welcoming and colourful. We hope to brighten up the front of the school again this year and it would be lovely if all the children (and parents!) could take part!

Over the Half Term break we would like the children to design and create a planter using something they have found at home or in the garden that would be suitable to grow plants in. Please do not buy anything especially or spend any money on the planter- we would ideally like it if your child's planter could be a recycled/upcycled item. This could be as simple as a colander adapted to be a hanging basket or an old pair of wellies with drainage holes! Your child can choose to decorate the planter or leave it as it is and please feel free to fill the planter with plants or vegetables!

We would like the children to bring their planters to school during the week commencing Monday 5th June. This year prizes are going to be awarded in the categories of best recycled planter, most colourful planter and best planter containing edible veg/plants. They will be judged on Friday 9th June and a prize will be awarded in each of the three categories.

The planters will be displayed in the school playground until the end of the Summer Term, when they will be returned to the children to take home.

We really hope you will take part and help us to make Bryn Offa a more colourful and bright school!

Yours sincerely,

Mrs. Prior
