Headteacher: Mr P Thompson

18th July 2023

Cook in Charge

23.75 hours per week

Grade 5 - Point 6 to 7 (£11.39 to £11.59 an hour)

Term Time (Plus 3 days)

Required – September 2023

Our long serving Cook in Charge of **over 30 years** has recently retired, which means we are looking for her replacement on this great team. We are looking for someone to lead the team of two assistant cooks in providing meals for the children and staff. The successful candidate will be a great practitioner and will also know how to motivate staff and engage with the children.

Our school meals are managed by Watson Leonard and Payne, so the catering manager is supported with the ordering, menus and statutory training requirements needed in a school kitchen. The kitchen is really well equipped after being recently refurbished, and no meals are provided for any other organisation. On an average day the kitchen will provide meals for approximately eighty children, with some days rising to a hundred.

This is a great opportunity for someone to take on this really important role in one of the happiest and friendliest school in Shropshire. Visits to meet the headteacher and see the facilities are encouraged and will be done on an individual basis rather than as a group.

Please take the time to read the person specification and job description that accompany this role, and I look forward to receiving your application.

As this is a role in a Primary School it will be subject to an enhanced DBS check and other relevant employment checks.

Closing Date of Application – Friday 18th August 2023

Interview Date – Thursday 24th August 2023

Starting Date – Monday 4th September 2023

Yours sincerely

Mr Thompson

Head Teacher
